

# GROUND LEVEL ENTRANCE

Simply put, if your site allows, it is a matter of moving dirt around.

Opelousas General  
Opelousas, LA  
Ground level entrance

# GROUND LEVEL ENTRANCE

Simply put, if your site allows, it is a matter of moving dirt around.

Opelousas General  
Opelousas, LA  
You see here a retaining wall is built on the  
front and the rest has a crawl space

# GROUND LEVEL ENTRANCE

Simply put, if your site allows, it is a matter of moving dirt around.

Holy Cross  
Alabaster, AL  
**Their lot was so big, it was easy to ramp up to  
their front door with a slight incline**

## ROSE GROUND LEVEL ENTRANCE (start to finish)

Footers are dug  
Building is set  
Retaining wall is built  
Back fill at drive  
Concrete is poured
