Birmingham, AL 35244

Dear Garry,

I want to thank you for the excellent service that you extended to us during the process of acquiring our two 1500 square foot modular buildings from you. The quality of product workmanship was second to none and working with you to meet our growth needs was an extremely pleasureable experience.

Your attention to details sold us on you and your product. I would recommend Rose Office Systems to anyone looking to add more space.

Sincerely,

Tony Christie  
Pastor
